\$ - Denotes member of the committee **ONLY**. Pond open from 4:00pm # - Denote club championship points

1. In the bread only match groundbait can **only** be white or brown crumb
2. In the maggot only match any groundbait & casters may be used
3. In the silver fish match carp **do not** count
4. In Barnett Pond matches a 60lb keepnet limit is in force, if you have more than 60lb in a net then you will lose all you weight above the 60lb
5. All keepnets/landing nets are to be strung out behind you when you arrive at your peg, you must not put your keepnets into the water until the whistle is sounded 10min. before the match is due to start. This is to ensure that all nets are dry as per the environment agency recommendations.
